

Работа с торрентами в отдельном менеджере (RuTorrent)

Кроме доступа к сервису, поставляется отдельно менеджер торрентов для более продуктивной работы с торрентами (RuTorrent)

The screenshot displays the RuTorrent web interface. At the top, a status bar shows the download progress of a file named 'CentOS-8.2' (9.87 GB, 6.1% complete). Below this, a sidebar on the left contains navigation links such as 'Состояние', 'Метки', 'Поиск', 'Трекары', and 'Рассылки'. The main content area is divided into tabs, with 'Плагины' (Plugins) currently selected. This tab displays a table of installed plugins, including their names, versions, statuses, and descriptions. The bottom status bar provides network speed information and the rTorrent version (0.9.6/0.13.6).
